GRANITE BEATS

GRANITE HIGH, WE LOVE YOU!

October 4, 1986, is a day that will go down in Granite City football history! The score: Granite City 17-East St. Louis 14. The Flyers had not had a taste of defeat in 44 games, a streak that could be called legendary. The Warriors proved that the Flyers can be beat. Not only did the Warriors win, but they scored the same amount of points as did the first four teams that faced the Flyers, combined. "Everyone contributed to a total team effort," said one of the coaches, "and that is what makes a winning team!" Congratulations Warriors, for making your best effort. Your dedication paid off!!

EAST SIDE - 17 to 14!!

*Granite City High we love
you,
Forever and a day;
True and faithful al-ways,
We'll do our best, o'er
All the rest!*

WARRIOR

The Warrior Homecoming was the best yet. Students enjoyed a week with '50s and '60s day, Bermuda shorts and "Shades" day, Pajama day, and School Spirit day. After the game, students continued on to the dance, not letting the upset dampen their spirits.

HOMECOMING 1986

*We'll keep our mem-ories in

Although we stray apart,
We'll nev-er forget,

TEACHERS' AIDES

Teacher Aides play a very important role in the lives of the handicapped students who attend school here. They help the students off the buses and escort them to their classes. The aides also help the students at lunch. The aides assist the teachers in the classroom as well, by preparing dittos and helping with the assignments. Teacher Aides are Nelda Sanders (left), and Kathleen House (Right).

Don Gray and Bert Houston are a very important part of the school. They monitor student activity on campus, including the smoking area.

CAMPUS MONITORS

SOME FACULTY MEMBERS RETIRE - SPRING-1986

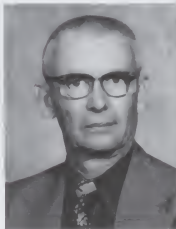

Their combined careers span one hundred years of teaching. They will be sorely missed by those whose lives they touched.

Mr. Bob Moske retired after thirty years of teaching art in Granite City.

Mary "Woody" Johnson, instructor in journalism, English teacher, High World advisor, and sponsor of Quill and Scroll, retired after twenty years of teaching in Granite.

Mr. Jim Reid, instructor in drafting and Co-op education, and former industrial arts consultant, retired after twenty-nine and a half years in this district.

Mr. Ray Fyska, English instructor, retired after twenty-one years in Granite.

SOME GRANITE FACULTY MEMBERS HONORED!

Mr. Don Detering, physical education instructor, varsity basketball coach, and girls' volleyball coach, has been named to the Illinois Basketball Coaches Hall of Fame, with induction scheduled for the spring of this year. Coach Detering, a native of Collinsville, was an all-state player in high school, and an all-American at Southeast Missouri State. This is his 27th year of coaching, and he is approaching 400 wins during his career. In 1971 he advanced the basketball Warriors to the "Sweet Sixteen" at Eastern, and this year, Granite is seeking its third straight share of the Southwestern Illinois Conference championship.

Mr. Harold Gebhardt has been awarded a plaque by the State Superintendent, representing the State Board of Education in its "Those Who Excel" program. The plaque was awarded for excellence in teaching science. Mr. Gebhardt is Science Department head and has taught here since 1964.

Mr. Ron Yates, physical education instructor, varsity football coach, and assistant track coach, has been named large-school Coach of the Year on the Suburban Journals' All Area football team. In his third year as head coach, Mr. Yates guided the Warriors to their first Southwestern Conference title in 40 years with an 8-3 overall record, including a victory over East St. Louis, which was rated the #1 team in the nation, and gave Granite a trip to the state playoffs. The girls' volleyball team had a fine season this year, with the addition of a new coach, Mr. Deterding. "He taught us a lot about pride and mental toughness, and we have a lot of respect for him," said Beth Earney. Seniors Sandy Sternberg and Marla Toeniskoetter were co-captains. Both were also outside hitters. Wendy Knollman and Beth Earney served as middle hitters, while Lisa Mills was a setter, with Tammy Levault as alternate setter. In the Belleville West Invitational against ten other teams, the girls were ranked very low, but in the end they finished in third place. "Coach Deterding concentrates on the basics of volleyball, rather than stressing fancy skills," said Lisa Mills. Beth Earney was voted Most Valuable Player and also was selected to the second All Conference team.

WHAT A GAME!

Coaches Stegemeier, Yates, and Logan-Happy in Victory!

The Warriors ended the Flyers Forty-four game winning streak, by beating them 17 to 14. Both teams had a 4 and 0 season record going into the game, and for the first time in three years the flyers came out on bottom. We led the way with Jim Parker's goal, which proved to be the points we needed to upset the Flyers. Jamie Hogan then scored with an amazing catch in the corner of the end-zone. Then the flyers scored, making the score at Half-time 10 to 7. The third quarter was scoreless, but in the fourth quarter Len Whiteside scored on a draw play. Once again the Flyers replied with a touchdown to match, but time ran out, and the Flyers ended up defeated. The Warriors piled up seventeen First Downs to the Flyer's eight. We also had 149 yards on the ground, and added 100 more in the air. The win over the Flyers seemed to prove that the Warriors were not the underdogs. The Warriors went on to win the Southwestern Conference and then to the second round of the Illinois class 6A playoff. "I think we had many overachievers. Talent-wise we probably should have had a record of 5 wins and 4 losses, but when you add our heart, we ended up with 8 wins and 3 losses. We also had good specialized coaches," said Jamie Hogan. What a Team, and what a season!

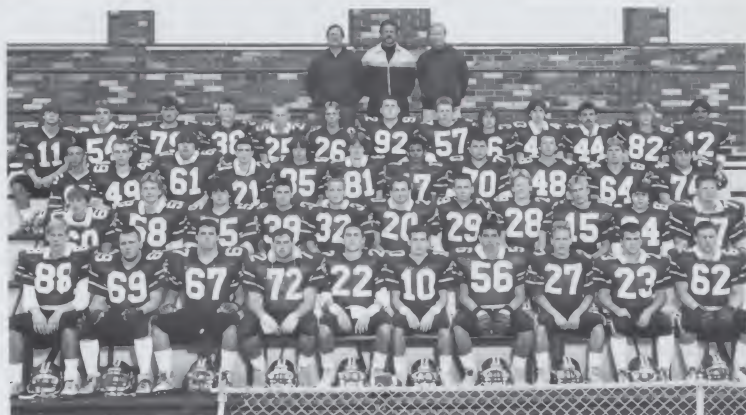

Jim is happy after he scores his field goal.

FOOTBALL SENIORS-1986

A DREAM COME TRUE!

The season of '86 was the most exciting football this town has seen in years. People are still buzzing about the "Fighting Warriors" of '86.

We won the Southwestern Conference for the FIRST time since 1946. We were undefeated-untied in the Southwestern Conference for the FIRST time since 1928. It was the FIRST time this school has been in the playoffs, and the FIRST time a Granite City team has ever won a playoff game.

This team recorded the best won-lost record since 1971.

Last but not least- we beat East St. Louis for the FIRST time since 1975, and knocked them out of their number one nation-wide ranking after three state 6A championships, and forty-four consecutive wins.

All I can say to these young men who started working for this season last winter is, "ONE FANTASTIC JOB!!"

"All-in-all, we had a good year, even though we only won three games," said one of the football players, and Coach Lignoul said, "We were small in numbers, that's what hurt us, but they should do well at the Varsity level." **GOOD LUCK NEXT YEAR, WARRIORS!!**

HOMECOMING: A WEEK TO REMEMBER

Homecoming week began October 13, with 50's and 60's Day, followed by Bermuda Shorts and Shades Day, Pajama Day, and School Color's Day. Students enjoyed three soccer games, a volleyball match, and a football game during the week. Tuesday and Wednesday brought the Homecoming Play, "Rebel without a Cause," with Jon Yates and Michele Zukas being crowned Homecoming King and Queen. Thursday was the bonfire, and on Friday the parade, as well as a pep rally honoring the football team, was presented. Those at the pep rally saw the crowning of "Mr. Sexy Legs," John Kabenjian. Even though the football game ended in defeat for the Warriors, students still continued to celebrate at the dance.

Homecoming was a fun-filled and exciting week and to all it was a week to be remembered!

SQUADS EXCEL IN 1986

During the summer the varsity cheerleading squads attend camp. This year the soccer squad consisting of Susan Conkovich, Kim Myracle, Missy McAmish, Shannon Gauen, Lori Swiger, Rebecca Papa, Jenna Epperson, Andrea Jones, and Jennifer Carnaghan went to camp at Eastern Illinois University. While there, they qualified to advance to the International Cheerleading Championships held in Nashville, Tennessee. They received the opportunity to go to the finals by being selected as Grand Champion Finalist at camp. While in Nashville, the girls performed a dance/cheerleading routine. Although they did not receive an award in Nashville, the accomplishment of having the chance to go was fantastic. In fact, no other cheerleading squad in Granite City has ever received such an honor.

The football squad, consisting of Beth Scherrills, Lea Ann Kincy, Elaine Brown, Ann Jarrell, Cindy Wilson, Anne Juhasz, Jamie Bucatch, Christy Thouvenot, and Michelle Parra received a Spirit Stick. The award is given to those squads who show outstanding spirit throughout the week at camp. The girls competed against approximately 60 other squads.

Congratulations to both squads on their accomplishments and best of luck in the future.

THESPIANS

Thespians at Granite City Senior High are members of the International Thespian Society troupe #2608. Thespians must be in two major productions, four one acts, or two major productions and two one acts to become members. Both actors and stagecraft students become members. Thespians make up the majority of students in all of the High School's major productions and key Thespians attend the Illinois Theatre Festival each year. The International Thespian Society is a world wide organization, as its name suggests.

Cosmetology is an off-campus program whereby a student gets 1500 hours of training to be a beautician. The students participate during their Junior and Senior years, and in the summer between, at the Granite City School of Beauty Culture. Upon completion of their 1500 hours, students are ready to take the state exam. If a student passes the state exam they are then licensed for the state of Illinois as a cosmetologist!

NEWEST CLUBS BECOME ACTIVE IN 1987

Empathy is a peer helper program. It is used to help combat drug abuse and other teen related problems. The rationale behind the program is that students generally go to other students with their problems. This training provides students with skills and knowledge to make them more effective helpers. The trained students are then given opportunities to provide help and support for their classmates.

Another club is the Scholar Quiz Team. It was first organized and competed last year. Students participated in an invitational tournament as well as a Southwestern Conference tournament. Last year the Junior Varsity division was won by Granite City students. This year a State sectional and final tournament will be held. Dual meets are also in the near future thanks to an electronic lock out device made by Mr. Forbes. Four or five students participate at a time and answer academics questions. Speed as well as knowledge is important in the contests.

The Junior Varsity Squad will also see playoff action. They have gained a first round bye in the series and they too, hope for a successful series.
